Parents and Communities Take Down Tobacco

Join the San Bernardino County Superintendent of Schools (SBCSS) Tobacco Use Prevention Education (TUPE) team to “take down” tobacco and vaping in our community and schools. This event is an opportunity for parents and community partners to:

- Learn about new tobacco trends and education programs offered by the SBCSS TUPE Program
- Share why tobacco and vaping is a problem in local communities
- Receive information about healthy and alternative practices that the SBCSS TUPE Program is sharing with schools to help youth stop smoking
- Get information about quit smoking programs and resources
